General Policies:

- Faculty, students, board, staff and models respect the right of others to learn, teach, or work in a hassle-free environment. Inappropriate comments, gestures or actions that may be construed by a reasonable person as sexual harassment under Federal guidelines will not be tolerated. The offending party may be asked to leave class or the grounds of the Art Students League of Denver without refund of fees paid. The instructor or class monitor has the final say on what is appropriate in the classroom.
- The League reserves the right to refuse service to any person based on cause or provocation.
- **Cell phones must be turned off** during class sessions. If a call must be made, please do so in the lobby, porch or garden areas.
- To ensure privacy, the office staff does not give out phone numbers or addresses of models, members, office staff or instructors, unless specifically authorized to do so.
- The League does not rent or sell its membership mailing list, preserving each member's right to privacy.
- In the event the League has to close because of weather conditions or a faculty cancellation, the staff will make every effort to call currently enrolled students to inform them of the decision and any scheduled make-up dates. Please be sure we have your current phone number on file. In the event of a weather cancellation, students should consult the school cancellations on the local TV stations for information regarding closures or cancellations at the League.
- **No smoking** is allowed in League buildings or on the grounds. Beyond the gates, cigarette butts should be dropped in designated pots only.
- **The League may not be held liable for loss, theft or damage of personal belongings.**
 - A word of caution, be sure to lock your car and secure your bicycle to the rack outside the League's facilities.

Class Registration Policies:

- Members may observe an instructed class before enrollment to determine if a class is appropriate for their skill level and expectations.
- **Enrollment in a class may be reserved only through payment**, unless special provisions have been made with the office. Enrollment in classes is on a first come, first served basis. Students may request to be wait-listed for workshops that are full.
- Check or credit card payments that are returned for insufficient funds will be subject to a \$20 processing fee.
- Written parental consent is required for members ages 16 to 18 who wish to attend any class where a nude model will be present. In addition, members between the ages of 16 and 18 who want to attend life-drawing classes must receive instructor approval.

Studio Policies:

- **Open Studios:** All painting and drawing studios are available for members to work in free of charge when classes are not in session. Students must sign in and out in the office. Please note: the Clean Studio Policy applies to individuals as well as classes.
- **Clean studio policy:** If two or more complaints are received that easels, tables, stands and props (including those on the model stand) have not been cleaned or put away, a class will be fined \$100.
- In **Uninstructed Figure Studies** sessions, the monitor directs the classroom and has the final word on the model's pose. Please come early if you would like in-put on the model's pose.
 - Seated students should position themselves closest to the model's stand. Students with the largest pads should set up your easels in the back of the room. Please avoid blocking the view of others.
 - If you are late to class, **you must wait until the model's break** to enter the studio. A sign will be hung on the door restricting entry during the session. Only enter when the door is open. Students from other classes are not allowed to enter figure drawing sessions.
- Photographing nude models is prohibited. Photography of models is only permitted in special cases for instructed courses. A Photography Model Release form signed by the model, the instructor and any students utilizing photography must be on file in the office.

Equipment & Facilities Policies:

- The League strives to provide a safe and healthy working environment, to abide by all applicable regulations, to communicate our commitment to safety, and to correct unsafe conditions in an expedient manner. Please be part of the process by notifying the office of any unsafe conditions. **Please report any injury to the office immediately.**
- Be alert for and heed all warning signs and labels. Material and Safety Data Sheets (MSDS) are available for reference in the Main Office.
- **Turpentine is not allowed in the building because it is a hazardous material.** Each studio has posted acceptable and safe products. Please be sensitive to your fellow students.
- Properly dispose of all trash and mineral spirits in the containers provided in each classroom. **Do not pour mineral spirits down the drain or dump in the trashcans.**
- Printmaking and ceramic students, please observe safety rules posted in studios.

Also, please exercise care when using easels, sculpture stands and other equipment. At the end of each class time, please return easels, chairs, sculpture stands and other equipment to the designated storage areas.
- Make sure all fire exits and fire doors are kept clear.
