Today, more than ever, society is working to preserve and protect our environment, as we question the sustainability of our practices and materials. What responsibility do artists have in this paradigm? We invite you to explore the concept of sustainability through the use of recycled materials. Both two- and three-dimensional works are welcome.

Entries will be accepted December 28-30 from 9:00 am-5:00 pm.

We will accept the first 45 two-dimensional pieces, pending number of large pieces entered. Unlimited three-dimensional work.

There is no entry fee, although you must be a member to submit a piece. Adult memberships start at \$55 per year.

To be considered for use in promotional materials, email a digital image (at least 300 dpi and 4" wide) and title to marketing@asld.org by 11/2/09.

Members, and faculty may enter one piece. There is no size restriction.

Member entries could be juried by Art Students League faculty, depending on space.

Pieces must be framed or a stretched canvas with a wire on back for hanging. Include name and title of piece on back of artwork.

Artwork must be wrapped in paper or bubble wrap when dropped off. Paper/bubble wrap will not be returned.
